**Business Valuation Experience**

Ms. Puffer provides business valuations, business consulting services and testimony for trial lawyers and accountants and the clients they represent. She performs business valuations for matrimonial dissolution proceedings, shareholder dissent and oppression matters, estate and gift tax purposes, contract disputes, purchase price allocation, C to S corporation conversion and transaction related valuations.

Representative engagements include the following:

- ◆ A \$20 million manufacturing company with 3 foreign subsidiaries for a family law services matter.
- ◆ Forensic accounting related to the disposition of \$1.8 million in assets for a family law services matter.
- ◆ A \$57 million manufacturer with 4 distinct business units in conjunction with estate and gift tax planning.
- ◆ A \$130 million distribution company with a \$9 million transportation subsidiary for a family law services matter.
- ◆ A start up electronics firm involved in a shareholder dispute. This engagement required the valuation of a pending patent.
- ◆ A \$10 million high growth health service system design company in conjunction with the award of stock to employees.
- ◆ A \$13 million contract dispute involving a hedge fund.
- ◆ A high growth agricultural services company to support purchase negotiations with an international suitor.
- ◆ Valuation of an investment management company to settle an IRS dispute. The IRS accepted appraisal without exception and the deduction was allowed to stand as filed.
- ◆ A \$25 million manufacturer to establish value at the date of C to S corporation conversion.
- ◆ Valuation of a trademark and related franchises for FAS #141, business combinations, reporting.
- ◆ Valuation of a civil engineering firm for purposes of negotiating a sale.
